SUMMARY

Motivated and detail-oriented Computer Science student with foundational knowledge of HTML, CSS, JavaScript, and C programming. Passionate about web development, problem-solving, and creating user-friendly applications. Seeking opportunities to apply technical skills, gain industry experience, and contribute to innovative software projects.

EDUCATION

ABESIT, Gzb

Bachelor of Technology (B.Tech) – Computer Science & Engineering, Relevant Coursework:, Expected Graduation: 2029
Data Structures, Programming in C, Web Development, Database Management Systems, Object-Oriented Programming

PROJECTS

Student Management System | Technologies: HTML, CSS, JavaScript, C

- Developed a system to manage student records efficiently.
- Implemented features for adding, viewing, updating, and deleting student information.
- Designed a user-friendly interface for better usability.

Smart Calculator | Technologies: HTML, CSS, JavaScript, C

- Built a calculator capable of performing arithmetic operations.
- Designed a responsive and intuitive user interface.
- Integrated backend logic using C programming concepts.

Matrix Calculator | Technologies: HTML, CSS, JavaScript, C

- Developed matrix operations including addition, subtraction, multiplication, and transpose.
- Implemented validation for matrix dimensions and user inputs.
- Enhanced understanding of mathematical computations and programming logic.

TECHNICAL SKILLS

C

JavaScript

HTML5

CSS3

Responsive Web Design

Git

GitHub

Visual Studio Code

Problem Solving

Communication

Team Collaboration

Time Management

CERTIFICATIONS

Web Development Fundamentals

Programming in C
Git & GitHub Basics

ACHIEVEMENTS

- Completed academic projects in Web Development and Programming. - Built multiple portfolio-ready projects using HTML, CSS, JavaScript, and C. - Actively learning modern software development practices and version control using GitHub.

INTERESTS

- Software Development - Web Design - Problem Solving - Technology and Innovation - Open Source Learning

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
